9 IN RE: Bard IVC Filters Products Liability  
10 Litigation

No. 2:15-MD-02641-DGC

11  
12 **ORDER**

13 The Court having reviewed Bard's Motion for Reconsideration, and finds that Bard  
14 made a convincing showing that the Court failed to consider material facts that were known  
15 to the Court before it ruled on the Motion to Seal. The Motion for Reconsideration is  
16 GRANTED. The Court finds that Bard did not waive its right to file a motion to seal and  
17 further finds that Bard met the compelling reasons standard to seal the exhibits. The Motion  
18 to Seal is therefore granted.
